V Pune

It was an ordinary boring gray day in Seattle. Cooper has just arrived home from the University of St. Paul, where he studies engineering. A sudden thought pops in his head:

V Car

- "Mom, the weather in this town is just a mess! Do you think I shall call Jake and Lizzy and remind them about the roadtrip we planned like a month ago?"

- "Yeah, honey, that engineering class is draining all the energy and positivity from you. You should definitely go out there with them", his mom answered enthusiastically.

The call was made. All three friends are thrilled about the upcoming journey, but Cooper is especially happy as he's about to relax for the first time in his 2 years of university life. As Jake starts the car engine, he sees an "E" sign on the front panel.

V Hex

- "Gotta fill up the car with gas, y'all. Remind me to do that the second you see a gas station, alright?"

- "Yes, sir!", Cooper and Lizzy giggled.

After about 30 minutes of driving, there still was no sign of a gas station. Cooper, Jake and Lizzy start to make jokes about how they would stop in the middle of nowhere unable to do anything with no gas. Well, you get what you wish for.

The car suddenly stopped. Jake tries to start the car again, but this time ^{does it} unsuccessfully.

- "Does this mean we're lost now?", Lizzy says nervously.

- "Lizzy, look at me. Everything is going to be okay. I know that if there's hope, the help will come. It is no time for panicking", says Cooper calmly. [... see List 2]

- "Well, I guess we have arrived to our final destination.", says Jake as he's unloading the picnic blanket from the trunk.

- "What are you doing???", said Lizzy and Cooper with somewhat ³⁰⁰confused faces.

- "You know what they say. A journey is best measured in friends rather than miles."

And so the picnic began. After about 4 hours of being stranded in the ³³⁰middle of nowhere, surrounded by wild deers, our friends saw another car heading towards them.

- "See, that's what I'm talking about", Cooper shouts in joy.

- "What a relief!", says Lizzy as she falls on the grass seeing treetops, pines and beautiful clouds.

Just like that the story of our 3 loyal friends ends. Everybody remembered it for the rest of their lives as the best journey ever. The End.
