#### Jacky The Brave

This story was told me by an old wise turtle and I'd like to share it with you.

Many centuries ago there was a tiny lake in <sup>the</sup> middle of a dark scary forest. Little friendly frogs lived there, and they had very calm and peaceful life. Jacky was the cleverest and the strongest frog, but, to be honest, he hated activities and adventures. His favourite hobby was collecting attractive colourful stones, and he was very fond of his collection.

Unfortunately, these wise times ended too soon. People had found out about that lake, and since that numerous holidays and parties took place there. They were too noisy for the frogs, so they had to find another place to live. They wanted Jacky to do it. He tried to refuse, but there wasn't any choice, and he left his home for the first time. The forest was really dangerous, and huge spiders lived there. Of course, they wanted to eat poor frightened Jacky. Luckily, he met a naughty funny rabbit called Freddy. Freddy had a very kind and brave heart, so he offered his help. As the rabbit was really quick and brave, Freddy and Jacky managed to run away from spiders and find a new lease for Jacky's family. Freddy asked a ladybug, that was flying around, to tell the frogs how to reach their new home and 2 weeks later the whole family was building a new town.

As for Jacky, he realised, that adventures are not that bad and was going to visit Freddy in the forest. Also Jacky wondered, that his adventure was too short.

because the new lake was only 10 meters far from the old one, but his mother said, 'A journey is best measured in friends rather than miles.'
