ANSWER SHEET

10-18-1

Library Modernization

According to the latest news, the school library is going to be expanded and improved in the nearest future. I, as a ~~healthy~~ regular library user, would like to suggest a way of ~~improving~~ the school library and enhancing its functionality.

P. 50

80.
90.

There is a new service that library could provide, it is internet browsing. It means that the library could provide a way of searching for information online via computers.

To make that work the school will have to purchase the computers and a wi-fi modem. There's also some accessories necessary to use a computer such as a keyboard, a mouse, a monitor, a computer chair and a desk.

25.
90.
90.

Although it may be a little expensive, it will help the students with studying a lot. They will be able to search for information fast, make presentations, ~~write~~ and even write essays in a more efficient way.

25.

Lastly the idea that I suggested will be a great improvement for our school, it would put the education on the next level and make the students more interested in studying. The new service will be beneficial and advancing, so please look at it.
