Proposal about Library's service

This proposal suggests new service which library could provide as well as explains why it would be beneficial for the school and the students.

New service

Library is not being used and it can be solved with suggestions below. Library could provide the book club. Interested students would join it to talk about their favourite books. In addition, library could help students with homework. Library could give some books which will help the students.

Equipment and organizational arrangements

To make these suggestions real, some equipment might be needed. A librarian should be the teacher for the book club. He will ask students to read something and then they will talk about those books. Also, a search system is needed for homework help.

Benefits

As soon as these suggestions are done, the school will get many benefits as well as the students. One of them is that students will always have their homework done, therefore they won't get a bad grade. It will be beneficial for school because this help won't be free, 50 cents for one discipline. The book club is needed because many students really need it. School have to create this club to avoid the dangerous situations that could happen if the club is not created. (W. Уракув 2)
