ANSWER SHEET 09 - 17

I - Hello, Jane. Thank you for coming. I want to ask you some questions about your relocation to the home town and of course, the new book. So, did you find anything new in our town after such a long time?

JB - Hello. Thank you too. Simply I cannot believe what renovations our city had. There are parks and cycle lanes everywhere.

I - Talking about parks. Did you visit the main square lately?

JB - Of course I did. And I'm still impressed by the number of different facilities in there. There are everything to have a good time.

I - Okay. You've announced your new book which will tell us the story taking place in our city. So, perhaps you have some kind of special information for us?

JB - I was preparing for this question. And I want to announce one more thing. Everybody can help me with my book by choosing the place for different locations in it. Information will be provided soon. So, stay tuned!

I - Wow. Nobody was thinking about such a cool news. Thank you a lot! And I still have some questions left. Will your book include some surprising facts about our city?

JB - Yes, it will. It is the aim of the public help. I want to create a book full of special information which will tell that our city is unique.

I - And the last question will be about your general plans for the book despite the previous. What structure will it have?
