ANSWER SHEET 10-17

Jane Baker Interview

A well-known writer Jane Baker has finally returned home. We conducted an interview with Jane where we discuss her future writing plans and feelings about her hometown.

I - How do you feel about returning home after living abroad for so long?

JB - During the last days of living in France I was thinking about my hometown nearly all the time. I am glad that I am back.

I - What was the most unexpected thing about the changes in this town?

JB - I used to think that there were not so many interesting history facts about my hometown but when I returned I discovered that an ancient building had been found in the central park! It was shocking and amazing at the same time.

I - Were there other changes that shocked or surprised you?

JB - It was unexpected for me to see how much this town has grown. I discovered so many new buildings and shopping areas which I cannot wait to visit.

I - Turning to the topic of your future book, what genre are you planning to choose?

JB - I was thinking of writing it as a detective story for a while. But now I want it to be an adventure story with science fiction elements.

I - Is your book going to be only for children or is it going to be appropriate for all ages?

JB - It is difficult to say as the book is not written yet. But I think it will be interesting for parents to read with their children.
